As of October 1, 2013, individuals, families, and small businesses in Illinois can sign up for quality health coverage through Get Covered Illinois – The Official Health Marketplace by visiting www.GetCoveredIllinois.gov. Through the Marketplace, Illinois residents can get to the right place to shop and compare all of the health insurance plans offered in the state.

On November 2, AIDS Legal Council will participate in the "Cover Your Community" day of action, a statewide effort to educate Illinois residents about Get Covered Illinois and the health insurance options available to them. ALCC will partner with Broadway United Methodist Church and Chicago Temple, covering topics such as what types of coverage are offered, how to get coverage, plan costs and financial help, Medicaid, local resources, and more.
